

Georgia Student Scholarship Organization

If you could donate an amount to support the awesome work of CORE Community School and receive the **FULL AMOUNT** of your donation back at tax time ... would you do it? Of course you would!

The Georgia Student Scholarship Organization Inc. is a state registered Student Scholarship Organization (SSO) as well as a 501-C-3 non-profit organization whose function is to facilitate the process of distributing tax credits in exchange for donations and to distribute funds for private school tuition scholarships. GaSSO partners with over 100 Georgia private schools and has provided more than \$50 million dollars in tuition scholarships supporting preK-12th grade.

What is the **maximum** amount someone can donate to GaSSO in exchange for a Georgia education expense tax credit? This is based on tax filing status:

- Individual: \$1,000
- Married Filing Jointly: \$2,500
- Married Filing Separately: \$1,250
- Individuals who receive pass-through income can contribute up to \$10,000
- C-Corporations: Up to 75% of GA tax liability

WHERE TO GO TO EASILY SIGN UP AND DONATE
